**FOR IMMEDIATE RELEASE:**

**PARK COMMUNITY CREDIT UNION NAMED FIRST FINANCIAL  
INSTITUTION CERTIFIED AS AUTISM FRIENDLY BUSINESS**

The Autism Friendly Business Initiative focuses on encouraging and training local businesses in the area of Autism Awareness, Acceptance, and Appreciation. The vision is to see our community become not only welcoming to individuals with Autism spectrum disorder, but where those individuals can become valued, participating members. The Autism Friendly Business Initiative is a unique collaboration of parents, professionals, and community members who provide quality support and training that is accessible to all businesses to create a platform for Autism awareness.

At the end of October, Park Community Credit Union teamed up with FEAT of Louisville to get started! We are the FIRST financial institution to be part of this initiative. We recognized that becoming an Autism Friendly Business would allow us to reach more individuals and help better even more lives!
