

Park Community One-Time Use Passcode

Park Community may send a one-time use passcode to a mobile number, already on file with us, for member verification purposes.

You can cancel the SMS service at any time. Just text "STOP" to the number. After you send the SMS message "STOP" to us, we will send you an SMS message to confirm that you have been unsubscribed. After this, you will no longer receive SMS messages from us. If you want to join again, just text "START" to the number and we will start sending SMS messages to you again.

If you are experiencing issues with the messaging program you can reply with the keyword HELP for more assistance, or you can get help directly at parkcommunity.com/contact-us or by calling 502.968.3681.

Carriers are not liable for delayed or undelivered messages.

As always, message and data rates may apply for any messages sent to you from us and to us from you. You will receive one-time passcodes upon request/agreement as needed for verification purposes only. If you have any questions about your text plan or data plan, it is best to contact your wireless provider.

If you have any questions regarding privacy, please read our [privacy policy](#).
