FOR IMMEDIATE RELEASE

PARK COMMUNITY CREDIT UNION OPENS NEW LEXINGTON BRANCH NEAR THE UK CAMPUS

LEXINGTON, Ky. (Apr. 20, 2026) — Park Community Credit Union is growing in Lexington by opening a new location in the Chevy Chase/Ashland Park neighborhood near the University of Kentucky campus, bringing expanded access to affordable, community-focused financial services to one of the city's most active and fast-growing areas.

Located at **547 Euclid Ave.,** the new branch serves students, young professionals, families, and central-Lexington residents with responsible lending, credit-building tools, financial education, and affordable banking options

The opening marks another milestone as Park celebrates 60 years of serving members across Kentucky and Southern Indiana, continuing its investment in financial empowerment and long-term community impact.

"As we grow, our focus doesn't shift, it sharpens. Our success is not measured by asset growth alone, but in lives improved, barriers removed, and futures strengthened," said Jana Erny, President and CEO of Park. "This new Lexington branch places us in the center of a community where financial access can change trajectories. We're not here to simply open another location — we are here to create real opportunity and drive lasting impact."

As Kentucky's largest Community Development Financial Institution (CDFI), Park focuses on expanding access to affordable financial services in underserved communities — supporting financial stability, small business growth, and local economic development.

As a member-owned, not-for-profit financial institution, Park returns value to its members through better rates, lower fees, and a more personalized, relationship-based approach to banking.

A ribbon cutting celebration will be held in May, with additional details to be shared in a forthcoming media advisory.
